# Building Vocabulary

## Teacher's Instructions

**Reading** is a very important aspect of vocabulary building.

**Exploring new words and finding their meanings** helps in vocabulary building.

**Talking about groups of words.** e.g. An elephant is a zoo animal. Can you think of any more zoo animals?

**Linking** new words to words the child already knows. Eg. terrified - this is when someone feels scared or afraid.

**Repeat, repeat, repeat.** Hearing a word many times in different contexts will help children to learn the word.
